

Jeff Indyke Drum Clinic

This quarter's "Bonham Lesson" is based on the groove he played on the Immigrant Song. These exercises are variations and funky expansions while remaining within the basic rhythmic structure of the beat. For an exact transcription, refer to Joe Bergamini's book Drum Techniques of Led Zeppelin.

Also try these grooves with a Quarter Note and Up-Beat Riding pattern, and try adding syncopated accents on the "a" of 2 on the crash cymbal for a "bomb dropping" effect.
